Emotional Rollercoaster

Love is a set of complex rituals that needs to be explored.

- * Share your thoughts
- * Learn from others
- * Untangle love traps

Time has unveiled lessons to us all that should not be buried in your casket.

Love is a set of expectations created on Fantasy Island. It is an assortment of beliefs established to combat the vulnerabilities of trust and forgiveness.

Disappointment is easier to swallow when hope has a foundation based on truth. If you choose to seek love, know that sustaining it comes with the price of disclosure.

Regarding love, nothing is fair. No one is exempted from being lead astray. Truth has a way of piercing the façade of magicians. Real love can steer you through the darkest of days.
